## Newsletter Friday 10th March 2017

Issue 8 - 10.3.2017

What a great week we have had once again. This week we have seen the launch of our topics for this half term, following a mini topic last week on spring. Some classes are continuing a seasonal theme; others are digging deeper into the topic started before half term with Vikings and Romans, whilst others are launching DT projects.

Thank you all for taking the time to come to Parents Evening its wonderful to hear how well all our children are doing in class. Please do take the time to complete the feedback form your children have been given, your responses are valuable to us in order to improve what we do and the experiences we offer.

I look forward to seeing you all next week, particular the Year 3 parents at their assembly on Wednesday morning, but in the meantime, I hope you all have a great weekend!

Ms Titterton
