

University Primary Academy Weaverham

Newsletter 17th February

Issue 6 - 17.2.2017

WOW... what a fabulous start to the new Year! Our learning has taken us far and wide. The children have explored beyond the classroom and experienced learning about the Stone Age in the heart of Delamere Forest, other young learners have thoroughly enjoyed independent learning time at Grosvenor Museum... steeped in history and knowledge absorbed by the children and applied back into their own learning in the classroom.

Lessons here have been fun packed for all... the children have explored the life of different animals, the human body and seasonal changes. Not to forget the basic skills of reading, writing and maths which strongly underpin everything that we do. The children have stretched and challenged their physical abilities during their engaging PE sessions with Mr Mercer too!

I would just like to mention our fabulous actors and actresses throughout the school who are currently rehearsing for their professional LAMDA examination which they will take in the Summer term. At UPAW we really do make learning "FUN" "FASCINATING" and "FABULOUS".

I'm really looking forward to the coming months as we can spend more time learning beyond the classroom. It's been a busy half term and I would just like to thank you all for your support and for welcoming me into your happy and friendly school community. I hope you enjoy lots of family time and a relaxing half term together!

Ms Titterton
