

University Primary Academy Weaverham
New After School Clubs

We would like to take this opportunity to introduce ourselves to children and parents from University Primary Academy Weaverham. We are a sports coaching company based in Sandbach, specialising in primary school sport. We work in over 20 primary schools across Cheshire and Staffordshire and we are really looking forward to working with all of the children, staff and parents during the rest of this year and for many years to come.

Alongside our PE lessons on Mondays, Tuesdays, Wednesdays and Fridays Mr Parrish and Miss Walker will be offering children the chance to join them for some sports after school clubs starting the week beginning 22nd January. The first set of clubs will run until February half term then we will look to change the sports so children are exposed to different sports throughout the year.
